Activating Your 5Star Service

To ensure that your 5Star service is activated successfully, it's important that you follow these simple steps when activating:

If you purchased your 5Star Responder by calling GreatCall directly, skip to Step 3 on page 9.

Do not turn on or charge your device until you have set up your account. If you turn it on prior, the device will fail to activate. If the device failed, power off and start with Step 1.

Step 1: Gather required information before activation

To ensure that your activation process goes smoothly, you will need to have the following personal information ready when activating your service.

- Your name, address and phone number (your address must be a physical, U.S. based address, not a Post Office Box)
- The billing address, if different from your physical address
- Your email address
- A valid credit card
- Name and phone number of at least one emergency contact
- The 7 digit serial number located on the back of the device (the serial number is also located on the side of the box)

Step 2: Go online or call to set up your account

The best way to set up your account is online at:

www.greatcall.com/5StarActivate. *There will be a discount on your activation fee for activating online.*

Once online, follow these steps:

1. Enter device serial number and account information.
2. Enter all required payment information.
3. Enter an emergency contact.
4. Review customer emergency contact, charges and payment information.
5. Confirm account setup.

If you do not have access to the Internet, are a GreatCall customer wishing to add the 5Star Responder to your existing account, or need to activate more than one device, call 5Star Activation toll-free at **1-800-675-0158**. Be sure to have your information from *Step 1* handy.

Step 3: Turn on your 5Star Responder to activate

Now that your account is set up, your Responder can be turned on for the first time. To complete activation, follow these simple steps:

1. Remove the sticker from the back of your device and press the Power Button.
2. After a few moments, you will hear a voice prompt saying “Setting up Responder, please wait” followed by “Welcome to 5Star.”
3. The Service Indicator on the top of your device will begin blinking green, indicating the device is working properly.
4. Once the device is turned on, you’ll soon receive a phone call on your Responder confirming your activation. Simply press the Call Button to answer the call.

Congratulations! Your 5Star service is now activated.

**NOTE**

The device is not ready for use until you hear “Welcome to 5Star” and the service indicator is blinking green.

If you hear a voice prompt saying “Unable to activate. See User Guide,” then your device has not been activated. Please call GreatCall Customer Service at **1-800-463-5412** if you hear this prompt.

Keeping your 5Star Responder charged

It's very important to always keep your Responder charged and with you, so you can be prepared in any situation. We recommend that you develop a habit of keeping your device charged and turned on so you can access help at the touch of a button. Out of the box, the device is only partially charged. It's important that you fully charge your device after activating:

1. To charge, plug the large end of the Battery Charger into a standard wall outlet and the small connector into the device with the word "Up" facing up. You will then hear a tone.
2. The Battery Indicator will blink green during the charging process. Once fully charged, it will remain solid green.
3. Unplug the Battery Charger. You'll hear a tone and the Battery Indicator will turn off to save power.

4. When the battery is low, the Battery Indicator will flash red and you will hear a repeating tone and voice prompt to charge your battery. The tone will repeat more frequently as the battery level decreases.
5. If the battery loses all of its charge, the device will power off. The Responder will power back on when it is connected to the Battery Charger.

Making a test call

There are two ways to make a test call:

1. **Online:** We recommend sending a test call to your device by logging into **MyGreatCall.com**.
 - If you do not have a GreatCall account, you will need to create one. Visit **MyGreatCall.com**, click on “**Register**” and follow the easy steps.
 - Once logged in, you will be brought to the “**5Star Overview**” page.
 - Then press the “**Send Test Call**” button.
2. **Call:** You can also call GreatCall Customer Service at **1-800-463-5412** to have a test call sent to your device.

**NOTE**

Please remember that our 5Star Agents are helping other customers with real situations. If you feel the need to press the Call Button to make a test call, please wait on the line for a 5Star Agent to answer and simply advise them you are making a test call. **If you press the Call Button and hang up, they will treat your call as an emergency.**

About the Service Indicator

The Service Indicator is located at the top of the Responder. The Service Indicator will show whether or not you have wireless coverage and if the device is working properly.

1. If you are in an area where there is good wireless coverage and the device is ready to use, the Service Indicator will flash green.
2. If there is no service coverage, the Service Indicator will flash red.
3. The Service Indicator may change to flashing green when you move to a better wireless coverage area.
4. If the Service Indicator is solid red, there is a problem with the device. Call GreatCall Customer Service for assistance at **1-800-463-5412**.

About the Battery Indicator

The Battery Indicator is located on the top of the Responder, to the right of the Service Indicator. The Battery Indicator shows the device's battery strength.

- When the battery is fully charged, the Battery Indicator will be off, saving power.

- When the battery is low, the Battery Indicator will flash red and play a low battery tone. The tone will increase in frequency as your battery gets weaker.

Attaching the Accessory Clip

1. Slide the clip into the recessed channel on the back of the device until it “clicks” into place.
2. To remove the clip, pinch the top of the clip and the latch between your thumb and forefinger. With your other thumb, slide the bottom of the clip up. (See image on page 22.)

Installing the Keychain Attachment

1. Thread the attachment’s cord through the two holes on top of the device. You may need a sharp tip such as the end of a paper clip to help pull the cord through.

2. Once the cord is threaded through both holes, slip the head of the Keychain Attachment through the cord and tighten.

NOTE

It's not recommended to place a keychain ring through the loop holes on the device as this may cause the area around them to break.

When to use 5Star Urgent Response

Below are some situational examples of when you could use 5Star:

Potential emergencies or cautious situations:

- “I am walking to my car at night and I think someone is following me.”
- “There is a stranger parked in our driveway.”
- “I have this weird tingling in my arm and not sure what to do.”

General assistance:

- “I ran off and locked myself out of my house without keys.”
- “I’m having some problems getting my car started.”
- “I’m running out of gas and need directions to the nearest gas station.”

Unique situations:

- “I heard a weird noise on my roof.”
- “Can you connect me to LiveNurse?”
- “My dad never came to pick me up from school.”

Though we have listed typical use scenarios, if you're ever in doubt whether or not to call 5Star, simply call and a friendly 5Star Response Agent will assist you.

When not to use 5Star

5Star is not a substitute for 9-1-1. In the event of a critical emergency, always contact 9-1-1 immediately. Below are some situational examples of when NOT to use 5Star:

- Fire
- Heart attack/stroke
- Robbery/break-in

NOTE

If you call 9-1-1 with your Responder, a notification will be sent to the 5Star Response Center. After your 9-1-1 call is completed, a 5Star agent may contact you to see if you need any further assistance.

What if your call to 5Star requires emergency assistance?

If you call 5Star and the 5Star Agent determines that you are experiencing an emergency, the agent will connect you directly to 9-1-1 emergency services.

5Star Agents may provide emergency services or 9-1-1 Operators with information from your Personal Profile, such as your medications, allergies and personal contact numbers. Agents can even conference in one of your emergency contacts to speak with you or a registered nurse to answer any of your medical questions. You can feel secure knowing an agent will always stay on the line with you to ensure your situation has been resolved.

Setting up your Personal Profile

To get more out of the 5Star Urgent Response service, you are encouraged to provide as much information as possible in your Personal Profile. The more information you provide, the better we can assist you. You can start with basic information and return later to update or add information. It's a good idea to periodically review the information to be certain it's still accurate.

Typical information you provide will include:

1. Basic information like your name, phone numbers, gender, age and your primary language.
2. Locations you frequently visit such as your home address, work, gym, doctors' offices or vacation home.

3. Emergency contacts, people we can notify on your behalf in case of an emergency.
4. Medical information such as medications, doctors, hospitals and medical or physical conditions.
5. Vehicles that you drive including make, model, color, and license plate number.

NOTE

Recording “Just in Case” notes

Entering notes is a very important feature. As with all location-based services, it is not always possible to get a completely accurate reading of your whereabouts (i.e. in an apartment building, parking garage, or if your Responder is off). It is a good habit to utilize the notes feature as much as possible.

1. From the “**5Star Overview**” page, under the “**Just in Case Notes**” section on the right side of the page, click on the “**Add a New Note**” link. You’ll see a pop-up window where you can enter the information you want to provide.
2. Click “**Save**” and you will see the new note in the notes listing.

How Your 5Star Service Works

5Star Urgent Response service is only available in the United States. 5Star IS NOT A SUBSTITUTE FOR 911. The service will only work if your account is current on payment and if your device is charged, turned on, has network access, and the 5Star service is enabled. 5Star service may not be available in remote or enclosed areas. You agree that once you enroll in 5Star service, we will be able to track your approximate location whenever your device is turned on and that we can provide this information to third party service providers

in case of an emergency or service incident. However, we cannot guarantee that we can track your exact location and in some cases, we may only be able to provide the information provided in your personal profile. We will only use your location information for providing 5Star service.

Your Use of 5Star Urgent Response Service

You promise not to use the 5Star service for any fraudulent, unlawful, or abusive purpose, or in any way that interferes with our provision of services to our other customers. If you do any of these things, you agree you will be responsible for any amount anyone else claims from us, plus any expenses, resulting in whole or in part from your actions. You are solely responsible for maintaining the content and accuracy of your personal profile with 5Star.

Your Responsibility To Pay For 5Star Service

You are responsible to pay for your 5Star service on time and (unless the law provides otherwise) in full. If you purchase a year of service in advance and stop your service in the middle of the annual period, we will refund you the remaining months of the 5Star service. You are also responsible for directly paying all charges for services provided to you by others (such as emergency service providers).

Your Responsibility To Tell Us Right Away About Disputed Charges

If you object to any fees or charges for services, you must tell us in writing within 60 days after the fee or charge is incurred, (unless the law does not allow a limit or the law requires a longer period), or you are waiving the dispute.

Your Responsibility To Pay For Taxes And Government Fees

You promise to pay all federal, state and local taxes, and other fees and service charges that

we are required by law to collect and remit to the government on the Services we provide to you. These charges may change from time to time without advance notice.

Your Responsibility For Others Who Use Your 5Star Service

You are solely responsible for any use of the 5Star service associated with your device, even if you are not the one using it, and even if you later claim the use was not authorized. You are also solely responsible for the services requested by you, or by anyone using the service through 5Star on your behalf. You agree that our agent may share your information with any authorized person calling the service on your behalf.

Ending Your 5Star Service

You can cancel your 5Star service at any time. All you have to do is call us and tell us you want to cancel service. We will cancel the service immediately and you will not be charged for any future months.

Reactivating Or Changing Your 5Star Service

We will only accept requests from you (or from someone we believe is your authorized agent) to activate, cancel, or reactivate your 5Star service. If we do any of these things, you agree to pay any charges associated with these requests. We will attempt to retrieve your previously stored personal profile if you reactivate your 5Star service, but we cannot guarantee our ability to retrieve it.

Usage Limits

We may place usage limits for any 5Star service. If we place usage limits for a 5Star service, and you then use such service more than allowed by the limit amount, we will charge you at our then current rates for your usage in excess of the limit amount. You agree that we may use

any credit or debit card or other payment account of yours that we have on file for payment of such charges.

Your Interactions With 5Star Agents

We may record and monitor conversations between you and our agents, emergency service providers, the police, or other third parties. Please note that our agents may also remain on the line if they conference in a third party to assist in completing a service request. Please understand that 5Star is not required to release any audio or physical records that are created as part of the 5Star service without a subpoena (unless otherwise required by law). We will do our best to accommodate you if English is not your first language and you require translation services, but we cannot guarantee the availability or competence of a third party translator.

Your Interactions With LiveNurse Through 5Star

LiveNurse, brought to you in partnership with FONEMED®, is not a substitute for dialing 911 and should not be used in a case of emergency. FONEMED's registered nurses offer advice regarding health care decisions, but they do not prescribe medications or make diagnoses. We are not liable for any act or omission, including negligence, of any FONEMED employee. We are not a health care provider and do not provide health care services. You should seek the advice of your physician if you have any questions about medical treatment.

Connection To Other Service Providers

Our agents may link, conference or transfer you to other service providers such as the police, fire department, ambulance service, or towing service. We'll use reasonable efforts to contact appropriate service providers for help when you ask for it, but we can't promise

that any service providers will respond in a timely manner or at all. Furthermore, we can't promise we will provide the best service provider or guarantee any level of service from such service provider. The laws in some places require an emergency situation to be confirmed before emergency service providers will provide service. We will not contact emergency service providers in these locations in response to your call if we cannot hear your request for assistance or otherwise confirm that an emergency exists. We will attempt to have an agent contact you after you have completed a 911 call to make sure that you do not need additional assistance but cannot guarantee this service in all cases or for all devices.

About The Software

5Star service requires software on your device that we may need or want to change from time to time. We may do this remotely, or through a third party service provider without notifying you first. You do not own the 5Star software or acquire any rights to use or modify the 5Star software on your own.

Our Right To Terminate Or Suspend Your 5Star Service

We may terminate your 5Star service without cause, in which case we will give you notice 30 days prior to the effective date of termination after which your account will be deactivated and your service will terminate. This means that we can decide to cease providing the 5Star service to you at any time and for any reason, even for reasons unrelated to you or your account with us. In such a case, we will refund any amounts you have paid in advance. Also, we may terminate your service without prior notice to you for any good cause. This means, for example, we can terminate your service immediately if you breach any part of this agreement, don't pay amounts that are due to us, interfere with our efforts to provide service, interfere

with our business, or if your 5Star service or wireless phone number is used for illegal or improper purposes. You don't have any right to have 5Star service reactivated, even if you cure any of these problems. Whether to allow you to have service again will be entirely up to us. We can suspend your 5Star service for any reason. We can also suspend it for network or system maintenance or improvement, or if there's network congestion, or if we suspect your service is being used for any purpose that would allow us to terminate it.

Your Privacy

Some of our key privacy practices are outlined in this section. For a complete description of our privacy practices, please refer to our Privacy Statement. We may update our Privacy Statement from time to time and the updates are available at www.greatcall.com, or you can contact us to request a copy.

We may collect information about you in several different ways: from information you provide to us, from your use of the 5Star service, from calls or emails between us, from location based services, and from third party data providers. We will collect information about your location on a periodic or regular basis.

The information we may get about you includes your contact and billing information (including your credit card number), registration information, your physical locations, and information that helps us customize our services (including your medical condition and medications).

You agree that we can, subject to applicable law, use this information to provide 5Star location based services, manage your account, conduct analysis and research, comply with legal requirements, prevent fraud or misuse of the 5Star service, and protect our rights or

property or the safety of you or others.

Warranty

We make no representation or warranty, either expressly or tacitly, for the completeness or correctness of the service. The use of the service is at your own risk. We assume no liability for or relating to the delay, failure, interruption or corruption of any voice, call quality, or data transmitted on a device while using 5Star. While we strive to ensure that the service is provided without interruption and is accurate and reliable, we make no warranties or representations as to the accuracy, correctness, reliability or otherwise with respect to the service and we assume no liability or responsibility of any kind for omissions or errors in the service.

TO THE FULLEST EXTENT PERMITTED BY LAW, WE DISCLAIM ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OR THIRD PARTIES' RIGHTS, AND FITNESS FOR PARTICULAR PURPOSE, AND FREEDOM FROM COMPUTER VIRUS. Specifically, we and our affiliates make no representations or warranties about the accuracy, reliability, completeness including errors or omissions, currentness or timeliness of content, software, text, graphics, links, or communications provided on or through the use of the service.

Limitations of Liability

You and 5Star are each waiving important rights. Unless forbidden by law in a particular instance, we each agree as follows: (1) we are not liable for the actions or inactions of any service provider we contact for you, or for our inability to contact any service provider in any

particular situation, (2) we are not liable to you for any injuries to persons or property arising out of or relating to your use of the 5Star service, (3) our maximum liability to you under any theory (including but not limited to fraud, misrepresentation, breach of contract, personal injury, or products liability) is limited to an amount equal to the portion of the charges to you for the services relating to the period of service during which such damages occur, (4) unless otherwise provided in this agreement, your maximum liability to us under any theory (including but not limited to fraud, misrepresentation, breach of contract, personal injury, or products liability) is limited to any charges due and owing by you to us, (5) neither you nor we can recover punitive damages, treble, consequential, indirect, or special damages, or attorney's fees. You and we agree not to make, and to waive to the fullest extent allowed by law, any claim for damages other than direct, compensatory damages as limited in this agreement, (6) no one is liable to you for dropped calls or interrupted service, or for problems caused by or contributed to by you, by any third party, by buildings, hills, tunnels, network congestion, weather, or any other things we do not control, (7) notwithstanding anything else in this agreement, you agree to excuse any non-performance by us or any service provider caused in whole or in part by an act or omission of a third party, or by any equipment failure, act of god, natural disaster, strike, equipment or facility shortage, or other causes beyond the control of us or our service providers, (8) you agree that neither we nor any service provider who sends you data or information through 5Star is liable for any errors, defects, problems, or mistakes in that data or information, and (9) you agree that the limitations of liability and indemnities in this agreement will survive even after the agreement has ended. These limitations of liability apply not only to you, but to anyone using the 5Star service on your

behalf, to anyone making a claim on your behalf, and to any claims made by your family, employees, customers, or others arising out of or relating to your 5Star service. Some states don't allow an exclusion or limitation of incidental or consequential damages or certain other damages, so some of the limitations above may not apply in some situations.

How We Will Resolve Disputes: Arbitration Agreement, Class Action Waiver and Forum Selection Clause

If you and we have a disagreement related to 5Star service or the validity of these terms of conditions of use, we'll try to resolve it by talking with each other. If we can't resolve it that way, **we both agree to use confidential binding arbitration, not lawsuits** (except for small claims court cases) **to resolve the dispute**. We agree that any controversy or claim between us will be settled by one neutral arbitrator before the American Arbitration Association ("AAA"). There's **no judge or jury** in arbitration, arbitration procedures are simpler and more limited than rules applicable in court, and review is limited. But you are entitled to a fair hearing and the arbitrator's decisions are as enforceable as any court order.

Arbitration shall be subject to the Federal Arbitration Act and not any state arbitration law. As modified by these terms of conditions of use, the arbitration will be governed by the AAA's arbitration rules (collectively "Rules and Procedures"). We further agree that: (a) the arbitration shall be held at a location determined by AAA pursuant to the Rules and Procedures (provided that such location is reasonably convenient for you), or at such other location as may be mutually agreed upon by you and us; (b) ANY CLAIMS BROUGHT BY YOU OR US MUST BE BROUGHT IN OUR INDIVIDUAL CAPACITY, AND **NOT AS A PLAINTIFF OR CLASS MEMBER** IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING; (c) THE ARBITRATOR

MAY NOT CONSOLIDATE MORE THAN ONE PERSON'S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING, (d) in the event that you are able to demonstrate that the costs of arbitration will be prohibitive as compared to costs of litigation, we will pay as much of your filing and hearing fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive as compared to the cost of litigation, (e) we also reserve the right in our sole and exclusive discretion to assume responsibility for all of the costs of the arbitration; (f) the arbitrator shall honor claims of privilege and privacy recognized at law; and (g) a decision by the arbitrator (including any finding of fact and/or conclusion of law) against either you or us shall be confidential unless otherwise required to be disclosed by law or by any administrative body and may not be collaterally used against either of them in existing or subsequent litigation or arbitration involving any other person/customer.

With the exception of subparts (b) and (c) in the paragraph above (prohibiting arbitration on a class or collective basis), if any part of this arbitration provision is deemed to be invalid, unenforceable or illegal, or otherwise conflicts with the Rules and Procedures, then the balance of this arbitration provision shall remain in effect and shall be construed in accordance with its terms as if the invalid, unenforceable, illegal or conflicting provision were not contained in these terms of conditions of use. If, however, either subpart (b) or (c) is found to be invalid, unenforceable or illegal, then the entirety of this arbitration provision shall be null and void, and neither you or we shall be entitled to arbitration.

In the event this agreement to arbitrate is held unenforceable, or in the event AAA refuses to arbitrate the dispute, all controversies, disputes, demands, counts, claims, or causes of

action between you and us shall be exclusively brought in the state or federal courts located in San Diego County, California. Further, in the event either you or we bring an action in a court seeking provisional interim equitable relief pending resolution of an arbitration, such provisional interim relief must be exclusively sought in the state or federal courts located in San Diego County, California.

For more information on AAA, its Rules and Procedures, and how to file an arbitration claim, you may call AAA at 800-778-7879, write the AAA at 1633 Broadway, 10th Floor, New York, New York 10019, or visit the AAA website at <http://www.adr.org>.
