Lively App

The GreatCall Lively app fitness tracker and pedometer motivates you to always keep exploring by taking you on virtual explorations to real-world locations. Complete step challenges that take you to new cities in different countries every day. Strengthen your body and mind in fun new ways!

BE PREPARED IN ANY UNCERTAIN OR UNSAFE SITUATION WITH 5STAR.

Press the button to initiate communication via smartphone with an IAED-Certified 5Star Medical Alert Agent.

Agent will confirm your location, review your Personal Profile, evaluate your situation and get you the help you need.

5Star Agent will stay on the line with you until your situation is resolved.

5STAR AGENTS

Awarded fastest Agent response time by Good Housekeeping Institute, 5Star Urgent Response provides easy to use and reliable access to IAED (International Academies of Emergency Dispatch) certified Agents. Trained in CPR and other emergency procedures, they can assist you with any uncertain or unsafe situation, 24 hours a day.

PERSONAL PROFILE

Your 5Star Personal Profile lists comprehensive details including emergency contacts, doctors and medical conditions. This enables 5Star Agents to assist you quickly and safely in an urgent situation.

*Your personal profile is secured by a SAS 70 Type II Certified data center and is only shared with first responders in the event of an emergency.

TWO WAYS TO WEAR IT.

It's easy and comfortable to keep counting your steps wherever you go.

WEAR IT ON YOUR WRIST

As a fitness tracker, you can track your steps and feel reassured knowing that you have 5Star Urgent Response with you wherever you go.

WEAR IT AROUND YOUR NECK

On our specially designed lanyard, the Wearable transforms into a Fall Detection device. So if a fall is detected, 5Star Urgent Response Agents will immediately be notified.

*Good Housekeeping Research Institute – August 2014. Service requires the purchase and activation of a Lively Wearable. One-time \$35 activation fee waived if activated within 60 days of purchase. Monthly fees do not include government taxes or assessment surcharges and are subject to change. Valid credit or debit card required for monthly service. 5Star Services only function with Wearable when Wearable is paired and connected by Bluetooth to your compatible smartphone (not included) and your smartphone is charged, turned on, and has network access. 5Star Service will be able to track an approximate location when your device is turned on, but we cannot guarantee an exact location. Fall Detection functions only when wearing Lively Wearable around the neck with the specially designed and included lanyard. Fall Detection may not always accurately detect a fall. The Wearable is rated IPX7 and can be submerged in up to 3ft of water for up to 30 mins.
