

Getting Started

Home Screen Overview

The Home screen lists commonly used apps in one place. From here, you can access all features of your smartphone.

- A. Status Bar – Shows you **12:45 PM** current time, Wi-Fi status, cellular signal strength, and battery level.
- B. Title Bar – Name of the application or screen you are viewing.
- C. App List – A list of commonly used apps. See “Customizing Your Home Screen Applications” in the “Changing Settings” section of your user guide to change which apps appear on your Home screen.
- D. Options – TAP to view more options relevant to the screen you are currently viewing.
- E. How-to Guides - View animated guides on how to use your phone and get helpful tips.
- F. View All Apps - TAP to view all the apps on your phone in alphabetical order.
- G. Navigation Buttons - Navigate around your phone.
