Refer a friend and you'll both receive a \$25 credit

Earn a one-time \$25 credit on your Lively bill for every friend who activates a Jitterbug[®] phone or Lively device based on your referral, and they will receive a \$25 credit on their new account, too!

How it works:

1. Have your referral call **1.800.670.7240** to activate their phone or device.
2. Ask them to mention your name and Lively account number or phone number.
3. Look for the \$25 credit on your future Lively bill.
