

## Getting Started

# Home Screen Overview

The Home screen lists commonly used apps in one place. From here, you can access all features of your smartphone.

- A. **Status Bar** – Shows you **12:45 PM** current time, Bluetooth status, Wi-Fi status, cellular signal strength, and battery level.
- B. **Title Bar** – Name of the application or screen you are viewing.
- C. **App List** – A list of commonly used apps. See “Customizing Your Home Screen Applications” on page 117 of your user guide to change which apps appear on your Home screen.
- D. **Options** – TAP to view more options relevant to the screen you are currently viewing.
- E. **How-to Guides** – View animated guides on how to use your phone and get helpful tips.
- F. **View All Apps** – TAP to view all the apps on your phone in alphabetical order.
- G. **Navigation Buttons** – Navigate around your phone.
